**They're Up to Something in There: Understanding There, Their, and They're**

**Overview** ⓘ ☆ 📖

Inventors Oscar and Frank know **THEIR** rivals are up to something. And **THEY'RE** sure that whatever lies behind the fence, in **THERE**, is going to give them a run for **THEIR** money in tomorrow's pancake contest. Illustrated in a graphic-novel-like format, this delightful story pairs with back matter that clearly illustrates when to use the homophones "there," "their," and "they're."

### Transportation in Many Cultures

Overview

How do you get to school or travel around a big city? If you lived in a different country, the way you travel could be completely different! Kids in Cambodia ride in paddle boats to get to floating schools on the water. People in Australia often ride a monorail around crowded cities. Take a tour around the world, and see how people get from here to there.
