Bridging The Energy Gap (Express)

Overview

This book shows how we are too reliant on a finite resource, fossil fuels, for our energy and to make many of the products we use. What are the alternatives, and will they be able to meet future demand?

Zeke Meeks vs the Horrifying TV-Turnoff Week

Overview

Zeke Meeks thinks his teacher is crazy when he announces that no one can watch TV for an entire week. There is no way Zeke will survive without videogames or his favorite shows. Will he be bored enough to play with his sister? Study? Actually read for fun? Only time will tell.

Zeke Meeks vs the Stinkin' Science Fair

Overview

Normally, Zeke Meeks wouldn't care too much about the science fair, but he needs the prize money. If he doesn't pay Grace Change fifty dollars, she'll use her evil fingernails to rip his face off. Now if only he could find a project that doesn't make the dog sick or clog up the pipes.

Brooke's Big Decision: #8

Overview

Brooke's parents want to send her to a private high school, where she'll be separated from her friends and cheerleading. She hates the idea until she visits the school and realizes it is perfect for her. Now she is facing a big decision. How can she decide when both choices feel right?

Mad Scientists: The Not-So-Crazy Work of Amazing Scientists

Overview

Drinking vomit. Breathing poisonous gasses. Creating two headed dogs. These mad acts aren't just the stuff of gross out stories and horror movies. They are real things that real scientists have done in the search for scientific answers.

Living in a City

Overview

This book takes a simple look at what it means to live in a city. It examines what you can find in a city, why people choose to live there, and the risks people might have because of living in a city, such as pollution. The book also looks at how people adapt to living in cities and the different things people can do in their daily lives, from working in a skyscraper to visiting the zoo!
